1701/007 Planning for consideration:

PA/2016/1703 Outline planning permission to erect two pairs of semi-detached dwellings and garages with all matters reserved for subsequent approval together with new vehicular access to 12 Queens Road, Barnetby le Wold, land south of & 12 Queens Road, Barnetby Le Wold, DN38 6JH

After discussion on this it was advised that meeting would be suspended to allow public to speak

19:48 – Meeting Closed

19:51 – Meeting Opened

After lengthy discussed the following outcome was sought - The parish council wishes to strongly OBJECT to the proposed NEW vehicular access to 12 Queens Road, as this is on a dangerous corner with no visibility splay.

The parish council also wished to pass the following comment in relation to the existing access – it was felt that due to the number of properties proposed that the current access should have sufficient space for a minimum of 7 cars, this is to ensure that ample parking is available for the dwellings and therefore keeping road side parking to a minimum.
