

BARNETBY COMMUNITY CLUB - ANNUAL PARISH MEETING STATEMENT

Last year was again successful. The bus trips, film shows and childrens' Christmas parties were all well attended, including Santa! Membership is at a good level and, like any Club, we would wish a few more members. Having said that it is the largest membership of any section in operation within local villages.

During 2017 we had two wonderful people who joined us on the Committee. The first being Mrs Maggie Hoggard as Secretary and who has stepped aboard and taken on all the secretarial and administration duties in an absolutely splendid manner - our grateful thanks go out to you Maggie. The second and by no means least is Mrs Pam Gibbens who took over the role as Treasurer. Not only has she caught up with things but is now ensuring that our financial matters are expertly and properly accounted together with keeping the Committee well informed.

This year 2018 it is our intention to continue with similar events but to try to increase the children and younger generation, as we will try to provide an opportunity for them to attend events.

The Roundabout has been a resounding success and writing in gives the availability and suitability for all sections. Our Editor Mrs Enid Knowles has done a sterling job in producing our magazine - well done Enid.

In closing it just leaves a very big thank you to our Committee and the distributors of Roundabout without whom the magazine your magazine would not arrive through your letterboxes. Also I wish to particularly mention our sponsors, namely North Lincolnshire Council, Barnetby Parish Council and the advertisers, all of whom keep this quarterly magazine alive and well read.
