Good evening,

Apologies for the slow reply. I'm chair person of the horticultural society. Unfortunately we will be unable to attend the meeting but would you mind mentioning a couple of things on our behalf please?

Firstly re Barnetby in bloom - we will be doing up the area in front of/near to Vic Bowness's shop/flats on the end of West Street. We are really pleased to be involved with this lovely project, especially as being such a long running society in the village and within the county.

Secondly - we would like to extend a warm welcome to everyone on the committee and in the village to our annual show on Saturday 18th August 2018. All entrants novice and expert are welcome to enter in the morning, and all others in the afternoon to view everyone's efforts.

We also have a talk coming up on Thursday 26th April at the church hall. A local gentleman who is a life long grower and show-er will be giving general advice and answering questions on vegetables/flowers etc.

Hope that's all OK. Sorry again I cannot attend.

Regards,

Abi Stothard
