18:21 – Cllr McKenzie-Brown opened the meeting

Darren Adams – Updated that at the last meeting the Barnetby in Bloom (BIB) sub group was approved. A Terms of Reference has been drafted to be agreed, subject to risk assessments, DA wished to comment on item 1905/015 Motorway roundabout issues and stated that the area is very overgrown and seeked advice on the sponsorships responsibility of Brigg Garden centre.

Cllr Waltham agreed to look into this and also commented that the BIB group could take over maintenance of this area if they wished?

DA also commented on item 1905/010 a) 4 semi detached dwellings old railway pub site, querying if the site has now exceeded the threshold of affordable housing? And has the developers avoided the processes by issuing separate planning applications?

DA also updated that the Potholes are still an issue and it was noted on the Barnetby Facebook site that a child has almost collided with a moving car as they had come bike due to a pot hole near Railway Street.

Cllr P McKenzie-Brown declared the meeting open 6.15

1905/010 Planning for Consideration

- a) **PA/2019/752, Planning permission to erect four pairs of semi-detached dwellings, site of former Railway Inn, Kings Road, Barnetby Le Wold, DN38 6HJ**

<http://www.planning.northlincs.gov.uk/plan?ref=PA/2019/752>

Concerns raised over the potential avoidance of the sustainable housing threshold, separate plans put in may have try to avoid this, comments were also raised about the general size of development.

Considerations to be given to Highways / subway flooding.

Factors in favour of the development is the need more families into the village, affordable housing allows families to grow in the village and supports the economy to grow.

Proposed response from Parish Council as follows:

"Whilst the Parish Council not opposed to the development it was the view that they would like to the concerns over sustainable and affordable housing to be addressed the housing must be apriority in this development and consideration appropriate off road car parking spacing.

Historical Planning was pass for a pond in that area, so must be water table? Flooding concerns in the village subsequently more drainage adds more water to the underpass which regularly floods."
