Cllr M Swallo gave an update on the Barnetby in Bloom group meeting held 21 Oct 2019

A discussion of 200 alliums Bulbs to be received free of charge, the group will arrange the winter planting of all boxes currently out, the group have also agreed to replanting the memorial first for remembrance Sunday.

The group would like the Parish Council to agree funds for next year this will aid their planning and also help to with match funding for any potential funding bids in the coming year.

Wendy Broughton, Alison Thomas and Peter McKenzie-Brown attended the awards evening for CPRE Best Kept Villages 2019 – it was noted that a lot of the villages in North Lincolnshire have instructed contractors to carry out their community planting. Clerk will contact Jenny Hayes at CPRE to express that Barnetby Le Wold is 100% community group and is this something that could be recognised in future award categories.

Darren Adams was also interviewed by BBC Radio Humberside in matters relating to the frustrations with the Railway embankment – it is hoped that pressure may be placed on Network rail to improve this area after continued efforts of Barnetby Residents has been met with little action.
