Resident 1– as resident of Silver Street there are ongoing issues and concerns and nothing ever seems to get done despite reports to North Lincs Council. Urgent matter of the road sinking, there is a water leak in the street for over a year, pot holes are a mess and the road has sunk further. 4th and 11th November phone call from highways arranged for sink hole to be fenced off which is now an obstacle with one stop shop deliveries

There is also a dark blue transit illegally parking, hard to gain safe access to the road - possible head on collisions

Resident 2 – Public Footpath near to the new co-op site has it been closed by the contractors. Network rail blockage / contact the contractors Illegal what they were doing. Bank of the beck in places has been taken away.

Resident 3 – No Litter bins (Victoria Road, St Barnabas Road, Near the Railway, Walkers Close – smashing bottles).

Cllr Lawson MBE also read out a letter from a resident around the local plan.

The meeting was declared open by Cllr Lawson MBE at 18:35

Comments surrounding the local plan concerns were as follows:

No further development until the whole area is reviewed for drainage.

Surface water is a big problem and should be put forward on each planning, sewerage is not a planning consideration.

The village cannot cope at this moment in time, sewerage issue – no plan B for overflow of sewerage.

Water into Skegger beck, sewerage as not mentioned at all and traffic approx.

Increased traffic approx. 200 more cars into the village, no facilities for parking.

The overflow can go into Skegger Beck – it can't all go lots of waste that can't be processed.

Resolution – Clerk to submit the following comments - On each site shown on local plan that affect Barnetby le Wold – (H1P-19, EC1-8 and EC1-7), it has been requested that the waterways and sewerage and highway infrastructures MUST be improved updated before any major developments are initiated and the due to current systems not being adequate.
