Camera facing Silver Street, who monitors it?

The CCTV is part of the NLC Safer Neighbourhoods Team, it is not monitored all the time and will be looked at upon request. The continuation of the camera installation is subject to review.

Parking on Junctions namely St Marys Avenue and Silver Street – the parking within 10 meters law only applies at night. If it is not causing a visual obstruction on the road, not parked in a dangerous position then enforcement action will not be taken. It is not an offence to park on a pavement but it is an offence to cause an obstruction.

Cllr Baker – re: Silver Street parking is a concern as young children are often around the area and the cars and dangerous parking does obstruct views.

PCSO – every road is dangerous, due to the number of incidents raised in Silver Street, the area is monitored on every shift.

Cllr Munn – A lot of general public don't really know what the police do and don't do anymore, and can often be quite disappointing when people are reaching out for support.

The PCSO's updated on following initiatives:

Barnetby seized 3 motorcycles, seized car in Brigg for no insurance.

Ask the Police Website. Humber Talking outreach sessions.

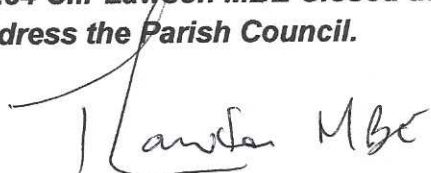

Silver Street – advice, education and engagement approach before enforcement.

18:51 Cllr Lawson MBE reopened the meeting.
