Member of the public raised concerns over the sink hole on Silver Street and frustration that this still hasn't been repaired as it is dangerous. The question was asked if the road could be re-surfaced at the same time as when the sink hole is repaired?

Rob Waltham advised they are awaiting a response from Anglian Water to confirm the water leak has been fixed and he will chase this. It is separate contractors the would deal with road surfacing so it is not always possible but he can look into it and will, address this matter further at the scheduled meeting on 11th October with Highways and the PC.

Concerns were raised regarding anti social behaviour, graffiti along Silver Street and the lack of support from NLC and the police. Comments were raised about the CCTV being a waste of time if no-one will view it when there is an incident. This incident will be raised at the next NAT's meeting.

Rob Waltham confirmed that removing graffiti from private property is not in the remit of NLC. Cllr Wilson suggested that the Chief Constable and the Police and Crime Commissioner be invited to the next meeting to discuss ASB.

Ward Cllr Sherwood agreed he would get the trees inspected.
