<http://www.planning.northlincs.gov.uk/plan?ref=PA/2023/498>

A lengthy discussion was held in respect of the planning application.

**Resolution** – Council to submit comment to STRONGLY OBJECT on the following grounds:

Acting in the interests of our residents, there has been strong representations from residents in the village that are not in favour of this planning application.

There are a number of inaccuracies with the planning application itself, such as noted that the site is within 20 meters of a water course.

The road surface of Marsh Lane is not suitable, there is no pedestrian footpath and we have previously submitted complaints about the speed of the traffic using the road. The verges are also heavily corroded by the high volumes of traffic, there are ongoing pothole issues in the road surface and this makes it further unsafe for public.

The application is for 2 accommodation units – this development site is outside of the Barnetby -le-Wold development line.

Cllr Wells and Cllr Broughton abstained from voting.
