Public Participation

Jan Welch – The group is now 4 members stronger, had a meeting in January and we were full of ideas for the coming season. We start with tree planting on March 2nd in the playing field. Many thanks to the Co-op for their support with the publicity and, we hope, refreshments and labour.

The group will of course be maintaining our boxes and containers, along with the large bed at the end of Railway Street. In addition, we will be replanting and keeping tidy the flower beds at the Church Hall car park which has now been regenerated with a kind donation from Dr Vora and the skilled help of Dave Mitchell and his team.

Many thanks, too, to Darren Agnew who cleared the path at the top of Kings Road. And to all the Wombles who continue with litter picking.

All this, together with other ideas which we will be talking about in more detail at our next meeting at the end of March, will hopefully give us a chance of keeping our best-kept village award. The group cannot wait for Spring to start and flowers to bloom.
